Presenting at Rotary

Please bring a jump drive with any presentation materials. Our meetings are presented on Zoom, and this allows us to share the message effectively with those over the internet.

Presentations will be shown on the TV in the picture the left. You will have a microphone and a wireless remote to advance your slides.

If additional support is needed, please coordinate with a member of the Rotary Board by emailing

mydickinsonrotary@gmail.com

At least 48 hours before the meeting.

Presenting at Rotary

If you are interested in bringing materials to share with the club to support your presentation.

15 Tables

30-40 Members

A member of the Board can help you distribute these materials prior to the meeting, or they can be passed out as members arrive.

There is limited space for a physical display, however, we can accommodate the best of our ability.

What to expect?

Dickinson Rotary meets at Elks 1137 Underground. The Elks Board and kitchen staff do a wonderful job at taking care of our lunch and meeting rooms needs.

11:45am Doors Open
12:00pm Meeting Start

Lunch each week is buffet style. We plan for 33 members each week. If you have a large group coming, please let us know so we can plan accordingly.
