Today's Program:

Our Club's impact on Ecuador school, Rotarians Mark Billings & Maria Gracia Flores

Today's program:

Virtual tour to view our funded International projects in Ecuador

Beginning in 2022, our club partnered with the Santa Ana de Rios Rotary Club de Cuenca, Ecuador to equip the Sigcho School in rural Cuenca with technology and the school's first computer lab. On Wednesday we will meet virtually with Rotarian Maria Gracia Flores, president of the Cuenca Club and see the completed project and hear about the students' and school's progress. **Rotarian Mark Billings** has led this project since its inception and has coordinated the ongoing relationship between our club and the Cuenca Rotary Club.

Last week we heard from Bismarck Rotarian Amanda Godfread and Kelly Braun, Dickinson Noon Lions Club, about the annual Make-A-Wish fundraiser to pay for wishes for children with critical illnesses. The annual benefit was held Saturday in Dickinson.

Last week we welcomed new Rotarian **Tim Brooke**, a junior banker at Bravera Bank. He grew up in Dickinson and previously worked as a teacher and principal in East Grand Forks, Minn.
