## Today's Program:

**F5 Project serves incarcerated, addicted** *presented by Tori Barnum and Abi Rohrer*

### Today's meeting: F5 Project update

What began in 2016 as a way of improving the lives of formerly incarcerated individuals in Fargo, the F5 Project now provides services statewide to people struggling with incarceration, mental health and addiction. Care Coordinator Tori Barnum and Western Region Advancement Coordinator Abi Rohrer will speak about the needs in Dickinson.

### Last week's meeting: Fireside Chat answers mysteries

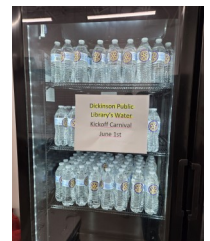

Rotarian Kari Shea led the Fireside Chat by reminding us that Rotary originated in 1905 by Attorney Paul Harris in Chicago. His mission was to promote business and personal ethical standards. The core of Rotary is Integrity, Diversity, Service, Leadership, and Friendship. The core is fulfilled by the avenues of Strong Relationships, Vocational Service, Community Service, International Service, and Youth Service. Rotary strives to "Do Good in the World" by the zones, districts, and clubs focusing on Peacebuilding and Conflict Resolution, Disease Prevention and Treatment, Water Sanitation and Hygiene, Maternal and Child Health, Basic Education and Literacy, Community Economic Development, and Care of the Environment.
