All-In-Events Center hosts Rotary

Dave Ouellette and Jason Watson of *All-In Events & Catering Center* and *All-In Bar & Casino* provided us with a great lunch of taco salad, fruit and sweet treats as well as a tour of the facility. It's a full service event center being able to serve PBJ sandwiches all the way up to filet mignon dinners. Accommodations of all size groups is available as the top level can easily serve 300 and two smaller areas will fit up to 150 each. Other services include renting tables, chairs and tents. Weekly Cornhole league starts February 5th; there are currently five courts and 20 teams. The building also includes the Badlands Big Sticks office and space for the Dickinson Baseball Club to hold registrations. All of Dickinson's baseball needs are now in a two-block area.

Club president Kyle Smith, center, enjoyed the taco bar last week with Dave Oullette, left, and Jason Watson.
